Mr. Moore begs to recommend his GOGO SHAMPOO WASH, to the public as unrivalled by any preparation ever produced for promoting the growth of the hair. The basis of this compound is made of soap root, the natives of the Philippine Islands, never use anything else for washing their hair; they are never found bald, and it is quite common to see the females with hair from 5 to 6 feet long. By constantly using this Shampoo Wash as directed, you will NEVER BE BALD.

The proprietor offers the Wash to the public entirely confident that by its restorative properties it will without fail arrest decaying hair; it completely eradicates dandruff, and cures all diseases of the scalp. It does not contain any poisonous drugs. By its cooling properties it allays the itching and fever of the scalp, which is the great cause of people losing their hair.

Mr. Moore has succeeded in being able to put this wash up in bottles without allowing it to ferment, and he will guarantee it to keep any length of time in any climate.

Chinese Court Circular.—Winter clothes will from to-day, May 4th, be exchanged for the lighter Summer garments.

We notice that numerous pigs have lately been prowling about the roads on the island of Kuan-ko, rooting them up extensively, destroying the newly-planted trees, boundary walls and actually undermining the graves and monuments in the Foreign Cemetery. We hope that the Road Committee will take measures to prevent the pigs from destroying the roads entirely.

The Rev. G. Burno after a long residence at this port, left here for Hongkong on May 1st in the steamer *Albatross* to assume the management of the Spanish Protestant Church. During the many years he has been associated with us, he was held in very high estimation for his zeal, fidelity and patience in teaching the Christian doctrine.

The Revenue Cruiser *Fel Huo* left yesterday evening, the 2nd inst., for, Fisher Island and Formosa.

The French frigate *La Victorieuse*, Captain de la Balle, with H. E. Admiral Meyer on board, and the French gun-boat *Lutin*, Commander Rouvier, left this morning, the 3rd inst., for Shanghai.

At the British Consular Court on May 2nd, Francis G. Nelson, Boatwain of the British brig *Argos*, was brought before the Consul at the instance of the Master charged that on the night of the 1st of May, the said Francis G. Nelson, whilst partially drunk, did strike and want to fight with the sailors, attempt to strike the Master with a knife, and generally with behaving in a violent, disorderly and dangerous manner. After hearing the evidence of the Master and one of the sailors in support of the Master's statement, the Consul sentenced the accused to six weeks' imprisonment with hard labour.—*Gazette*.

SHANGHAI.

We hear that the British Naval Yard property was sold by private bargain on Saturday, for £55,000, the purchaser being Mr. S. Daly. It is rather a remarkable coincidence that on Saturday we had a paragraph contradicting a report in a home paper, which said it had been sold in February last for £25,000.

Mr. Guy, the mate of the late brig *Mary*, arrived to-day, May 1st, from Chefoo. He was shipwrecked last year in that vessel at Quelpert off the Coast of Corea, the captain and wife were drowned, and 18 Chinese seamen. Mr. Guy, and 16 of the crew, remained in Corea for eight months and suffered great privations. At last they met with a Chefoo fishing boat, by which they all returned to Chefoo.

We are glad to be informed that an extensive monograph on the numerous typhoons of last year is in the press, the work by the able pen of the Director of the Sincere Observatory, and it will be published in the English language, being particularly intended for the numerous navigators frequenting these seas, who no doubt will derive great benefit from it, most of them being familiar with the English language. We hope the steps taken by the Chamber of Commerce to secure an effective Meteorological Coast Service will soon be as successful as they deserve, in spite of temporary checks, which now and then may crop up. It must be borne in mind that obstructionists to such a useful undertaking incur an enormous responsibility.

We hear from trustworthy Chinese sources that advice has been received of a fresh outbreak of the Mohammedan rebellion in the north-west provinces of China. The former head of the Mohammedan outbreak which took so many years to suppress, Han Yeu-ho, has crossed the frontier into Shi with his band. He was native of Si-ngan in Shansi, and when first he embarked upon his rebellious career he killed his mother and family to sever them from falling into the hands of the Imperialists. He was afterwards driven into Russian territory and was protected by the Russians. The Chinese insisted for a long time upon his rendition, but the Russians refused. Now he has broken into Chinese territory with his hands into the Tien Shan Pei-la, eight miles west of Karashahr, and Liu Chin-chai, the Military Governor of Hami has sent three regiments of soldiers to check the rebels. It is further stated that there have been troubles between the Chinese and Russians respecting Li territory. The Russian Governor insisted on being addressed by King, the Governor of the New Dominion, as Ping-tu-ta-chen, which creates a difficulty as the Chinese would thus place the Russian officials on equal terms. It is supposed that the Russians could have restrained the rebels if they had liked.

Another Chinese Newspaper, called the *Hu Pao* is to be started on the 1st of the next Chinese month by the Proprietors of the *North China Herald* Office, in which all the local and political intelligence contained in the *North China Daily News* will be published simultaneously for the benefit of the Chinese. It is hoped to very materially increase the value of the *Daily News*, and special attention will be paid to mercantile subjects, so that the Chinese may be placed on the best possible footing to compete with the subscribers and supporters of the *Daily News*. The support of the foreign community appears to be confidently calculated to second the efforts the proprietors are making for the good of China and that of all foreigners having a stake in the country. The proprietors of the *Daily News* expect to do something, we suppose, for their own good, that is often the object of starting a newspaper, but we don't see that they ask the foreigners who "have a stake in the country" to take shares. However, the value of the *Daily News* will be materially increased if all the Chinese characters are put in the Chinese edition, we have no doubt. And perhaps some good will be done to Chinese tea growers if the extracts from the Indian papers about Indian tea are translated into the *Hu Pao*.

At an early hour this morning (May 1st) a horrible tragedy was perpetrated in Hongkong, the victim being a native caught in *flagrant delicto* by a Chinese man-of-war sailor, who avenged himself by decapitating the intruder, and also by dangerously wounding his faithful wife. The sailor is a native of Ningpo, and was serving on board a Chinese man-of-war, while his wife lived at no. 5, Seward Road, Hongkong. The husband had long suspected that his wife was unfaithful, and last night it seems he told her that he was going to sea; but he returned to the house between two and three o'clock in the morning, and there found a man in bed with her. It is not yet known what weapon the enraged husband used, but he had evidently been armed and prepared for the attack. The intruder was the proprietor of a native eating house in Hongkong, and at an early hour, when the tragedy was discovered, he was found with his head cut clean off and lying a short distance from the body. The faithful wife had two deep gashes, one on each side of the neck, about four inches long, and three or four stabs on the breasts; some of the wounds being very dangerous. She was taken to the Hospital, and Dr. Henderson dressed her wounds, the operation taking about two hours. The husband has given him in charge of the Chinese authorities in the District Magistrate.—*Mercury*.
